Alan updated us on the latest discussion points.
Bradfield Road campus option for overcrowding in local primary schools is being discussed.
Australian charities and not for profits commission. KPS P&C not required to be registered with tax office.
Better schools programme. Council has resolved to write a letter to new government asking it to commit to Years 5-6 funding in schools.
- Dinner Dance celebration – cocktail party update from Kersten Knight. 9 November 2013. Tickets will be sold at \$45 per head. Invitations have been designed and will go out 1st week of 4th term.
- This is the main fundraiser for the P&C for 2013. Kersten needs help with the raffle and auction items. Will contact Year

3 class mums to get Year 3 on board with fundraising efforts.

Lots of help with needed with prizes for the raffle, although many prizes have been donated thus far. The fundraising initiatives for the night are raffle, loud auction, silent auction. An additional fundraising will be done with special edition KPS Birthday Wine orders.

Caileen gave an update on the school-crossing on Ridgeland Ave issue. Meeting on site took place involving many supportive parents, school, council representatives and RMS representative. Subsequently, another meeting took place on 17 September with concerned residents, school representatives and council. The only reasonable outcome is for the RMS to waive their requirements for the crossing if it is converted to a formal childrens' crossing. Council will approach RMS regarding this but the school will approach the state member for Kuringai to apply pressure to the RMS to change their requirements. Caileen will report back to the school the outcome of this.

Meeting closed: Catriona Dixon closed the meeting, 8.30pm in the library.

Next P&C meeting: 16 October 2013, 7.30pm
