

## **Killara Public School P&C Presidents' Report - 19 March 2014**

In addition to considering our funding priorities for 2014, we want to prioritise setting our P&C events for this year. Not only will this enable families to keep relevant dates free, it will also help our fundraising coordinator to maximise opportunities to raise sponsorships and prizes. We have met with Mrs Taylor-Hill and provisionally agreed on the following dates.

The calendar is not meant to be set in stone, and if it turns out that a particular event or date becomes unsuitable, we can notify the school community accordingly.
