Canteen

Opening Hours and ordering cut off times

The canteen is open on Monday, Wednesday and Friday for lunch orders. These must be made online with school24 prior to 1pm Sunday, 10am Tuesday and 10am Thursday respectively.

Sushi is available on Thursday for lunch. Orders must be completed online before 10am on Wednesday.

If your child has an illness, excursion or a rescheduled activity, please remember to delete your lunch order prior to the cut-off date and time in order to receive a refund. No changes can be made to orders after cut off as shopping and preparation has been started.

On Mondays and Fridays, children are welcome to bring an apple to the canteen counter at recess times to be 'slinkied'.

Getting started with *school24.com.au*

To sign up your child on *school24*, go to the website www.school24.com.au and click on the 'parents sign up button'. Type in the school registration ID number 2593963. When you register, your username is your email address and you must enter a password of your own choice. You must use this username and password each time you enter the website.

Money must be deposited into your account before ordering can begin. **Payments are by credit card only.** There is a charge of **1.5% plus 30 cents per top-up** transaction, maximum top up is \$200 per transaction. There is an order fee of 25 cents per order using Pay As You Go **OR** a \$3 fee per quarter using the UNLIMITED order option.

Once you have completed these steps, login to *school24* and place your order. When you have finished you can choose to have your order confirmation listing the items you have ordered, sent to you by email from *school24*, otherwise click on view history (on the left hand column).

It is very important that you check your order has processed and you can see it in your history or recent orders. If you cannot see your order even after a few hours, then your order has not been successful. Log back in and check your account or email kps.canteen@gmail.com if you are unsure. If you have problems with changing an order, it is best to delete the order and reorder.

Orders can be changed or cancelled online any time before 1pm on Sunday for Monday orders, 10am on Tuesday for Wednesday orders, and 10am on Thursday for Friday orders (or 10am on Wednesday for sushi). Refunds of unspent money are available when you stop using the service.

If you have any questions or problems, please don't hesitate to email the canteen team at kps.canteen@gmail.com
