N/A

Vegetarian Food

Chicken caesar salad

Thank you Lily Wong, the menu is great!

Menu is ok, but I haven't been ordering much due to 24 hr prior ordering policy. If I have 24 hr, I can prepare myself. I need canteen as a last minute back up when the night before I realize I don't have anything.

.

Can our credit card details be kept on file or saved so we don't have to add them in every time Please?

My kid only likes to eat sushi from your menu. If you had sushi everyday, we would probably buy it everyday for her.

Happy holidays Lily and team

Hi Lily, thanks so much for running the canteen. My one comment would be: please offer a list of ingredients for each of the menu items. My daughter has allergies so I'm afraid to order for her in case food contains an ingredient she cannot have. Thank you :)

I'm happy with the current offerings. I usually use the canteen for special things such as Easter, CNY or Halloween

pecheese pizza, margarita pizza, plain pasta option, chicken fingers, fish fingers, cheese toastie

Good

The menu is fine, but I want to order in early morning for the day.

It would be great to add more Asian food due to the proportions of Asian in the school as well as nutritious wise ( less carb, more protein and fiber ).

Broader range of food/meal offering. Would be good to utilise a catering company (eg. vanillablue) with the food offering. Would like to see more substantial meals on offer. Thanks

Noodles

More hot foods

no additional, thank you

Pasta, pizza, dumplings

Onion rings

I'm happy

Bring back pizza muffins more often

Something fresh.

Current menu is good

Pizza! Would be great, more sushi options

Happy with offerings

I hope Thursday also offer hot food, apart from sushi. And I hope the old fried rice can be back to stock. And add dumplings in the menu please.

If could add some noodles or udon.

More meat and carbs only options pls. Look for different sushi provider as curent sushi is very expensive and thinking of stop ordering sushi. i get charge a fee to top up \$50 and each time i use my credit i get charge additonal as well. It does not make sense and i feel we have been penalised twice or multiple times for multiple orders. Can we have small good on cash .. it is nice to be able to purchase item with cash as childre learn to count and be more responsible. Thank you for listening

I have added I am satisfied with the options because the question mandated a response, but to be honest I don't really check the menu because I don't usually order from the canteen. So I don't have any suggestions of what to add either! Sorry

Very happy

I'd like other choices on Thursdays apart from Sushi.

I would like to see more easy finger food options

Taco Day

Pizza

Chinese bento

more noddle and rice options

happy with the menu

We are happy with the current range. But if possible, more freshly cooked hot food options would be great. Things like, Fried Rice, Spaghetti Bolognese, pasta dishes, stir fried noodles. Maybe a fruit salad.

i would whant a wider range of drinks.
